

Dear Partners,

Thanks to the support of ENTREPRENEUR VENTURES, one of the leading French actors in the field of Venture Capital, we are pleased to announce the creation of the company RACKHAM ENTERTAINMENT.

RACKHAM ENTERTAINMENT has acquired on October 28 th, 2008 all assets and production means of RACKHAM SA. RACKHAM ENTERTAINMENT will continue to count on the unique expertise of the RACKHAM SA Design Studio.

RACKHAM ENTERTAINMENT plans to continue developing the existing game universes, AT-43 and CONFRONTATION, as well as new game universes including by acquisition of licenses.

The Design Studio has already conceived the products for CONFRONTATION and AT-43 for the next 12 months. We are pleased to announce that RACKHAM ENTERTAINMENT will be able to market these new products within a very short period of time. These releases will be available on a monthly basis, and will be released simultaneously worldwide. A new releases planning for the 2009 year will be available in the upcoming days. This sure will delight even the most demanding players.

Thus, RACKHAM ENTERTAINMENT is able to announce that the Wave-08 will be available in stores at the end of November 2008. This Wave will be followed by Wave-09 in December 2008.

RACKHAM ENTERTAINMENT, and its american partners, will work in unison to ensure the North American stores will receive on a regular basis these new releases as well as marketing and promotion tools. For this reason, in the next couple of weeks North American Distributors and RACKHAM ENTERTAINMENT will start developing various marketing operations, including the establishment of organized play.
